(b) whether it is a fact that after the draw of lots of flats the scheme of payment was arbitrarily changed from hire-purchase to cash down;

(c) if so, the reasons for the change in payment scheme which has spoiled the vary essence of the scheme and put untimely financial burden on retiring persons; and

(d) the steps Government are taking to provide relief to retiring persons in this regard?

THE MINISTER OF STATE IN THE MINISTRY OP URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI BANDARU DATTATRAYA): (a) As per the information furnished by the DDA, the number of applications received and the allotments made under the Special Housing Registration Scheme, 2001 for Retiring Government Servants are as under:—

	Total Applications received	Allotments made
MIG	1465	400
LIG	549	544
Janta	60	59

However, these allotments were made in Dwarka and Rohini.

(b) The Delhi Development Authority has informed that the Scheme was opened on 1.7.2001 and closed on 31.8.2001. Prior to the closing of registration, DDA had released a Press notification on 8.7.2001 that appeared in the leading newspapers about the loan facilities from the Central Bank of India and change of mode of payment from hire purchase to cash down. All the applications that were received by the DDA, were considered and a list of eligible applications were displayed on the Notice Board of DDA after giving due publicity and objections were invited before 7 days of the scheduled date of draw.

(c) The DDA has informed that the mode of payment was changed to give relief to the allottees. As per DDA's hire-purchased scheme, an allottee is required to make down payment of full cost of land plus 30% construction cost The balance amount was required to be paid in monthly instalments @16.5% (present rate is i5%) interest per annum on monthly rest basis. As against this, the Central Bank of India agreed to finance upto 75% of the total cost of the flat at an interest rate of 12.50% per annum. One more reason for

modifying the payment plan was that the DDA's hire-purchase scheme for the -retiring Governments servants was restricted to a maximum of 60 months while the Banks were providing longer terms for repayment.

(d) For the benefit of the allottees, an arrangement had been made by the DDA with the Central Bank of India for financing the flats allotted under the Scheme.
